

- 2 (a) Use standard results from the List of formulae (MF19) to find $\sum_{r=1}^n (1-r-r^2)$ in terms of n , simplifying your answer. [3]

This image shows a full page of a document template designed for handwriting practice or general writing. It consists of approximately 20 evenly spaced horizontal dotted lines running across the width of the page. The background is plain white, and there are no margins, headers, footers, or other markings present.
